Due to the change in the assessment method ie 30% coursework and 70% exam, students will be required to achieve 55 marks in their exam paper to enable an exemption to be awarded. The college is required to provide students with a result slip/transcript showing the following information:

Subject	Assignment Mark	Weighting %	Examination Mark	Weighting %	Overall Mark	Outcome
---------	-----------------	-------------	------------------	-------------	--------------	---------

This information is essential for the awarding of exemption and if students are unable to provide this then no exemption will be awarded. Please note that this request must be incorporated from September and is applicable to all students.

If you have any queries please do not hesitate to contact me.

Yours sincerely
